

SHOWING GOD'S LOVE THROUGHOUT THE BOROUGH OF SOUTHEND

Date as postmark

Dear Church leader,

We are delighted to invite you and your congregation to the **Love Southend Hope 08 Prayer Week**.

The Love Southend Hope 08 Prayer Week commences on the 12th January 2008 and finishes with a celebration on the 19th January 2008 at Southend Christian Fellowship, Plaza Centre, Southchurch Road, Southend.

Love Southend is already committed to delivering the intentions and ambitions of the UK wide - Hope 08, across the borough of Southend-on-Sea. Through word and action we hope the Christians of our town will join with us in showing the love which God has for the people of our town.

We urge all local churches to join us in beginning and rooting 2008 in prayer!

The detailed schedule of the Love Southend Hope 08 Prayer Week is included on the posters and leaflets which are enclosed with this letter. We would be most grateful if you would publicise this event in your church through your newssheets, announcements and by displaying the posters and handing out the leaflets.

Please stand with us, and together we will pray for a great transformation in our town.

Further information, posters, leaflets and OHP/data projector slides are available to download at www.lovesouthend.org, please do make use of these. If you have any questions, please do not hesitate to email kalbi.massey@lovesouthend.org or call 07990 581595.

May we wish you and your church all God's blessings for Christmas and the New Year, and thank you in anticipation of your prayerful support.
